Jl D.I. Pandjaitan KM9 No 17-18 Tanjungpinang Timur, Tanjungpinang City, Kepulauan Riau, Indonesia

I am an undergraduate Computer Science student who has not graduated yet, but I am highly motivated to work, equipped with 3 years of experience in web development, specializing in Frontend. Proficient in modern technologies such as MERN tech, TailwindCSS, JEST, and React Testing Library. I am enthusiastic about contributing with my skills, collaborating effectively within teams, and continuously learning and adapting to new technologies. I am seeking a job opportunity to further enhance my abilities and support the company's goals.

Work Experiences

Maritim Muda Nusantara - Indonesia Blue Economy Center (IBEC) Campus C STIE Indonesia Jakarta Jalan Pratekan No. 9A, Rawamangun Jakarta, Indonesia 13220
